<p><b>SUGGESTIONS:</b> Dinners <u>Not</u> before 6pm. Level sites easy to get into. Greater effort to assimilate new members. Distance members to as to avoid sometimes the tendency to stick just with your old friends. Maybe numbered tables and random assignments and/or table hosts.</p> <p>Kansas State Fairgrounds in Hutchison, Kansas has ideal facilities. This week's venue has been ideal.</p> <p>It's nice that they are more informal.</p> <p>I would like for there to always be a list in our packets of attendees and their home location.</p> <p>Lottery seating for dinners.</p> <p>This international rally was well prepared. Very good city to have a rally in. People extremely nice and accommodating. Having a great time.</p> <p>Bath houses for both sexes.</p> <p>Have "open house" by willing participants</p> <p>Ask participants if they would like to do presentations.</p>

<b>SUGGESTIONS:</b> Resale items for unwanted RV items. Dinners NOT before 6 pm. 5:00 is way too early. I know that everything is not always available on the regional rallies but everything is usually well prepared. Bath houses for both sexes.
