

Hello to all SOITC members,

I am pleased to announce that our club continues to be financially sound and our membership continues to grow. We have added 69 new members since the beginning of 2013. Most of this growth is a result of our own member's efforts. THANK YOU!!! A detailed Treasurers summary shall be presented to the membership during this annual Club meeting.

The Club is current on their mandated annual filing for IRS Reports, Indiana Secretary of State By-Laws reports and most importantly maintaining the correct liability insurance coverage for any formally planned and implemented event which involves the gathering of Club Suites owners at rallies or campouts.

The Club continues to host our annual rally event, along with rally events occurring at the Club regional geographic East, Central, & West areas, along with winter luncheons and spring "going home" get togethers. We continue to maintain a very strong and healthy relationship with DRV management, many of their RV dealerships, and their third party suppliers. They have supported SOITC with their sponsorship either financially and or with material product donations. Thank you to all those Sponsors who perform this activity. We, as an organization, need to ensure we do everything within our power to keep this relationship ongoing by supporting these sponsors, dealers and of course DRV.

In the near future, you will have a new membership card. With this card you will be able to receive a 10% discount on parts and labor at many dealerships and repair shops across the United States and Canada. A list of these places will be listed on our website after the new card is issued. DRV has agreed to give SOITC members special pricing on any parts bought thru DRV.

This annual meeting will result in a change to the currently elected Board structure. During the Annual Club meeting, posted in your rally schedule, the members present will be electing a qualified Club member for the Vice-president and the South-Central region Director. Betty Johnson, the current Vice-president, will be stepping down from the board after serving 7 years since shortly after the inception of the Club in May of 2006. Sara Vandell will be stepping down after graciously taking over the Central region in 2012. Neither one of them were able to make it to this year's rally. Thank you both for your time and dedication to the Club. It is people like this and the rest of the board, that volunteers their time and effort which makes the Annual rally, the Regional rallies and the State rallies

possible. We need more people like them to step up and give us their new and fresh ideas to make our club grow in future years. Another person who has volunteered for many, many years to make up the packets and lead a large group of volunteers to make sure that you receive everything that you need when checking in is retiring from that job. Betty Nance, will you please stand. Thank you for your time and friendship. Will the other volunteers that have helped Betty please stand. Thank you also!

Your Board is committed to growing the Club, making your membership more valuable and making our Web-site one of the best out there.

Submitted June 2013

Dave Webb  
President, SOITC #5831
