RALLY PLANNING

The next international rally is in Sevierville, Tennessee. It is scheduled for May 10-14, 2021. It was delayed from 2020 due to Covid-19 concerns.

Obviously we all are counting on the virus to have loosened its hold on our activities by that time. So its now time to start planning this adventure. Paul McClellan and Kirk Inskeep are working hard at making this the best SOITC ever!

The rally will include meeting a lot of new friends, dinners, manufacturer training, how-to seminars and all the fun we've come to expect at a rally.

Inside this edition of Suite Talk you'll find an article that talks about things to do before and after the rally in this fascinating part of the world.

Sevierville, for those of us west of the Mississippi, is about 25 miles outside of Knoxville on the east side of Tennessee. It is about 10 miles south of I-40. Figure 150 miles north of Atlanta and about the same west of Charlotte.

There are many great activities in the area, including Great Smoky Mountains National Park, Dollywood (Dolly Parton's Theme Park) and lots more just a short distance away.

SEVIERVILLE

We'll have a lot of fun activities during the rally, but there is so much to see and do around Sevierville, so you should plan on spending a few extra days in the neighborhood.

Whether your idea of a good time is the Dollywood Theme Park or a nature day in Great Smoky Mountains National Park, you've just scratched the surface of good times!

There's golf at the Sevierville golf club, recently named one of the Top 50 courses in the US. Forbidden Caverns near Pigeon Forge keeps the nature experience going. And don't miss Ripley's Aquarium of the Smokies. If you want something a little more adventurous, try the high-speed zipline at Foxfire Mountain Adventures or book a skydive!

To really get the adrenaline going, try white water rafting or even a float on one of several nearby rivers. There's world class bass fishing as well. Tennessee holds the world record for both smallmouth bass and walleye come from Tennessee or the higher mountain areas offer trout fishing.

If museums are your thing, there's the Tennessee Museum of Aviation, the Sevierville Fire Department Museum, Floyd Garrett's Muscle Car Museum or the Sevier County Heritage Museum.

Then there is the Sevierville Greenway with more than 10 miles of developed greenways and walking trails. The Middle Creek Greenway, the Veterans Blvd Greenway, the West Prong Greenway and a couple other walking trails offer a great place to get a little exercise while seeing some the the natural beauty in the neighborhood. Of course the Appalachian Trail beckons the truly adventurous!

On May 14 and 15, 2021, the Bloomin' Barbeque & Bluegrass Festival will keep your toes tapping! Come for the Rally, Stay for the Music!

If you have never been to a rally, you haven't appreciated your membership in SOITC! It is the perfect opportunity to make friends, share experiences, and learn about how to get more out of your RV investment.

With seminars by other DRV owners, component manufacturers and suppliers, you will learn some tricks of the trade.

And don't forget to ask questions not only of these experts, but also the guy camping next to you. There is a lot of tribal knowledge on using and caring for these suites. We find that there are few new problems and in many cases someone already solved the old ones!

2021 SOUTH CENTRAL SPRING RALLY

April 6, 2021 - April 10, 2021

This year's spring rally we will be exploring the sites around Louisiana's oldest parish, Natchitoches. The history in the area goes back a couple of decades and when walking downtown, you will feel like you have stepped back in time.

The Rally will be at Grand Ecore RV Park. This campground has full hook up sites with concrete pads and plenty of room between sites. It is well away from city noises which makes for a peaceful stay. We have 30 sites reserved, some pull through and some back in.
